DETAILED ACTION

Request for Continued Examination (RCE)

The RCE filed on August 24, 2009 has been processed. A non-final follows.

Allowable Subject Matter

Claims 1, 3-18, 22-26, 28-30 are allowed.

Election/Restrictions

Newly submitted claims 34-42 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: The new claims are broadly directed to money transfer services that would require a new search distinct from the previously presented claims.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 34-42 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.
